

How your setting can complete the GP Carer Reg/Ref Form – Virtual Consent

Setting identifies person as an Unpaid Carer.
OR
Person identifies themselves as an Unpaid Carer.

How are you communicating with them?

Phone Conversation

Via technology such as Teams / Skype / Zoom

E-mail

Face to Face

Option 1

Complete the form with the Carer while on the phone or using audio/video technology.

Option 2

E-mail the form to the Carer for them to complete and send back to you.

Option 3

Post the form to the Carer for them to complete and send back to you.

Please follow your counties specific Pathway (as usual)

How will you gain consent for GDPR purposes?

Option 1

Take verbal consent. Please Write 'Verbal Consent Given', sign and date the form

Option 2

The Carer can add an image of their signature into the form.

Option 3

The Carer could print off the form, complete and either scan to email or post back.

Please note this diagram only refers to way of completing the form. It does not change what is to be done thereafter. Please refer to your counties specific Pathway for full details of how to process completed forms.
