

Dear all,

You will recall that Crossroads (Carers Trust Crossroads West Wales) have delivered after school and holiday clubs for disabled children for the last 2 years in Carmarthenshire. Last year was an exceptional year and Crossroads continued to deliver the service whenever the regulations allowed. However, as a result of the pandemic it was impossible to plan and deliver the service as they had done so successfully in 2019.

This year following feedback from parents and discussion with partners we have agreed a different model. We have tried to take into account the ongoing health and safety and infection control requirements as well as the increased costs this presents. This year we will focus on increasing the holiday club and weekend offer, rather than after school clubs.

We have agreed that,

1. Crossroads will focus on providing a holiday club and weekend activities in the Llanelli area. This is likely to be from Heol Goffa School and Crossroads will be in touch shortly with details including their booking arrangements.
2. Carmarthenshire County Council will work with existing partners to increase or develop new services outside of the Llanelli area. As soon as we are able we will provide further details of this.

Our main objective at this stage is to have in place a range of options available for children and families this summer holiday.

If you require any further information please contact sibolton@carmarthenshire.gov.uk

With best wishes,

Kelvin
